

D G S PAW

The text "D G S PAW" is written in a blue, rounded, sans-serif font, arched across the top of the page. A black line representing a leash starts from the bottom of the letter 'D', curves under the 'G', loops around the top of the 'S' to form a dog's head with a small eye, and then continues to the right. A silver metal clasp is attached to the end of the leash on the left side. A black paw print is positioned between the 'D' and the 'G'.
