Sample Copy: If you're like most people, you live near a fuzzy four-legged best friend. Dogs are integral members of our community. As a CCPDT (tag) certified trainer, I help owners with basic training as well as modifying more challenging behaviors. Pups are my passion! If you or someone you know needs guidance, please reach out to me here (link). #NationalTrainYourDogMonth

Sample Copy: According to a recent CCPDT (tag CCPDT) survey, about one-third of us live near a dog that barks too much or too often. CCPDT certified dog trainers like me work with pups and their owners to change behaviors that get in the way of harmonious relationships between families and neighbors. If you or someone you know needs a bit of training assistance, you can reach me here (link). #NationalTrainYourDogMonth

Sample Copy: Do you live near a doggo whose manners are less than perfect? According to a CCPDT (tag CCPDT) poll, 1 in 3 Americans say a local dog needs better training. I'm a CCPDT certified trainer and would love to help If you or someone you know needs guidance (your website link).

Sample Copy: January is Train Your Dog Month, and according to a recent CCPDT (tag CCPDT) survey, 60 percent of people reported that some of their neighborhood dogs misbehave. This year, treat yourself and your pooch to a little education. As a CCPDT certified trainer, I can teach your pup the basics, like walking calmly and not jumping up, and also help with more complex issues. Dogs are my passion! If you or someone you know needs guidance, you can reach me here (link). #NationalTrainYourDogMonth
